DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows: Claim 19 appears to have a typographical error. In line 1 of claim 19, replace "An coupling apparatus" with --A coupling apparatus--.

2. The following is an examiner's statement of reasons for allowance: Regarding claims 16 and 19, the examiner notes that the claims are combination claims because of the recitation of the nozzle in the body of the claims. In this regard claims 16 and 19 are allowable for the same reason claim 1 has been allowed (as established by the record).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Seth Barney whose telephone number is (571)272-4896. The examiner can normally be reached on 7:30am-5:00pm (Mon-Fri).
